## Services Details

### City

When you only have an hour to spare, The City mani/pedi will do the trick! Timely, beautiful, with just a moment to relax. Nail shaping, cuticle attention, callus treatment on feet and skin moisturizing finishes with relaxing massage. Nails topped with your favorite polish.

### Sea

Extreme healing and hydration for an intense Colorado environment. This is the perfect combo for those who need a little more moisture on their skin, and have a few extra minutes to spare. For pedi: Nail shaping, cuticle attention, callus treatment and a choice of exfoliating scrub or hydrating mask followed by relaxing massage and hot towel wrap. For mani: Nail shaping, cuticle attention, relaxing hand massage followed by deep penetrating moisture mask with hot-mitt treatment. Finished with your favorite color.

### Spa

Need some serious 'me' time? The Spa nail treatment is pure joy. Serious luxury and relaxation. Nail shaping, and cuticle attention, callus treatment followed by an exfoliating sugar scrub, and an ultra moisturizing hot-mitt (on hands) / super hydrating mask and lotion followed by relaxing massage and hot towel wrap (on feet) treatment. End with your favorite polish.

### Oxygen Bubbly Spa

Need to unwind your mind and give your skin a reset? Our Oxygen Bubbly spa is the perfect remedy for stressed-out skin. After the shaping of nails and cuticle treatment, hands are treated with sugar scrub, and massage butter to enhance blood circulation. Then will soak in cozy hot mitts with cream mask to eliminate impurities, soften skin, and replenish moisture. For pedicure, this spa kit includes a detox soak, fizz powder, sugar scrub, cream mask, and massage butter. The fizz powder creates a unique, enjoyable experience that helps to detoxify feet and enhance blood circulation. Eliminate impurities, soften skin, and replenish moisture. With a sweet, soothing scent, you'll drift off into complete relaxation mode.

### Playground (kids 10 and under)

Your kiddos are welcome here! We will be gentle and patient with your little one's hands and feet. And, we have iPads for those who need to be pre-occupied. We will soak their feet in warm water, then shape the fingernail, moisturize the hands and feet, and give them a pop of color. For children 10 and under.
